

LE VELO

The LE VELO isn't just another economy priced bicycle built for appearance without substance, it's a proud member of the MOTOBECANE family of quality bicycles. A combination of European craftsmanship and 50 years of engineering "know how" guarantees unexcelled performance. At first glance, you will be impressed with the rich luster of its ELECTROSTATIC applied paint finish and the quality construction of an advanced INEXTERNAL™ BRAZE lugless frame. Its crisp, clean appearance is accompanied by a group of components featuring: HURET derailleur, SOLIDA by STRONGLIGHT cotterless crankset and the exclusive MOTOBECANE handlebar sleeve. The LE VELO, an exceptional bicycle for the budget conscious rider.
