

## SPORT TOURING—ST400

The bicycle for cyclists looking for versatility as well as performance. Commute to work or school, take a leisurely recreational ride or a weekend tour, even compete in the local triathlon on this twelve-speed bicycle. The ST400 is equipped with SunTour LePree derailleurs, Rigida alloy rims, Sansin sealed mechanism hubs and stainless steel spokes.

*The ST400 offers versatility and performance for cyclists who enjoy more casual riding.*
